

Adray Metro All Academic 2011-2012

Metro,

In our effort to build great people both on and off the ice, we will be introducing a new award this season for the Metro Conference. Any player with a grade point average of 3.8 or above will receive an Adray Metro All Academic Award. Each of these players will receive a certificate and their name will be posted under Metro on the web site. The grade point average that will be used is the marking period following the date of 1/1/13.

We will also have a team award. The team with the highest cumulative grade point average will also receive an award and the team name will be recognized on the web site under Metro. It is our goal that both of these awards will go a long way toward reinforcing the importance of education in conjunction with success on the ice. So many of our players have to work very hard to achieve good grades we would like to do our part to support these efforts.

Eligible players are any Pee Wee or Bantam participant in the Metro Conference. As always if you have any questions about these awards please contact me direct.

Take Care,
Bobby Mitchell Jr.
