

Adray Metro Post Season 2011-2012

The teams will be broken into Championship brackets. All teams will participate in a winning percentage based tournament determined by the following criteria.

Seating:

1. Head to Head
2. Winning Percentage
3. Goals Against
4. Goal Differential

Format:

See attachment for divisional Championship break-outs

Semi:

We will be re-seeding the playoffs after the Post Season like they do in the NHL so the regular season results are more meaningful. Therefore, after the Post Season, we will re-seed the four teams who will play in the semi finals so that the highest seeded team left (based on the end of the year standings which we will put together before the playoffs like we have been) will play the lowest seeded team left in the semi finals based on the end of the year standings. The other two teams will play each other with the home team being the one with the higher seed at the end of the year.

Home Team:

The home teams are identified in the game chart attached to this document.

Game Time Frames:

Mite's & Squirt's-The length of periods will be 10 minute stop time.
Pee Wee's & Bantam's -The length of periods will be 12 minute stop time.

Championship/Semi Final Tie Breaker System

Tie Procedure:

1. (5) Minute sudden death overtime period will be played provided there is more than (8) minutes left on the curfew clock. The teams will not change ends.
2. A Shootout consisting of (5) players from each team alternately taking penalty shots. A coin toss will determine which team will shoot first. If after (5) players from both teams have completed the procedure, the tie has not been broken, and it shall be repeated with a different player from those that have already shot until time runs out.
3. A coin toss
