The Semi final through the Championship games will be played using the Championship Tie Breaker System.

Seating:

2. Goals Against
3. Goal Differential

Format:

Each period is worth one point, and the game is worth 2 points, for a total of 5 possible points. The team that scores the most goals in a period wins the period and one point. If each team scores the same number of goals or no goals in a period, then each team gets a 1/2 point. The winner of the game gets 2 points. If the game is tied, then each team gets one point.

Example:

Team A playing team B. After the first period, the score is 1 to 0, team A having scored the goal. Team A gets 1 point and B gets nothing. After 2 periods, the score is still 1 to 0. Team A gets 1/2 point and team B gets 1/2 point. If after 3 periods, the score is 2 to 1, with team A scoring a goal and Team B scoring a goal, then Team A gets a 1/2 point for the period and team B gets a 1/2 point. Team A will also get 2 points for the win, so in the end Team A has 4 points and team B has 1 point.
