

Adray Metro All Academic 2021-2022

Metro,

In our effort to build great people both on and off the ice, we will be awarding again the Adray Metro All Academic Award this season for the Metro Conference. Any player with a grade point average of 3.5 or above will receive an Adray Metro All Academic Award. We also except notification of exceptional performance in the classroom from the attending school if grade point averages are not used. Each of these players will receive a certificate and their name will be posted under Metro with the heading Adray Metro All Academic on the web site. The grade point average that will be used is the marking period following the date of 1/1.

It is our goal with this award to reinforce the importance of education in conjunction with success on the ice. So many of our players must work very hard to achieve good grades we would like to do our part to support these efforts.

Eligible players are 8U, 10U, 12U, 14U and Prep participants in the Metro Conference. Each team will submit their list to the league by the date of 2/22. As always if you have any questions about this award, please contact me direct.

Take Care,
Bobby Mitchell Jr.
